

Dear Veterinary Surgeon,

Eurovet Animal Health has made a dynamic start to the year, averaging a new product every month in the first quarter. The latest addition to the Eurovet stable of products is Relaquine 35 mg/ml Oral Gel for Horses – a licensed ACP in gel format, for the sedation of horses. Relaquine comes in an adjustable syringe containing 10 ml of gel.

A company run by vets, for vets, Eurovet aims to bring the products you need to the market, backed by solid promotional offers. Relaquine is being introduced to the market at a list price of

£10.99

with a special
introductory deal:

Buy 10, Get 3 Free

Join the Eurovet revolution! If you would like to know more about what Eurovet has to offer please call us on
